Matt Hook

CHIEF SUPPLY CHAIN OFFICER MOLSON COORS NORTH AMERICA
MOLSON COORS BEVERAGE COMPANY

Business Experience:

Mr. Hook was named chief supply chain officer for Molson Coors North America in 2026. He began his career at Molson Canada in 1999 as a production management trainee at the Toronto Brewery. Through his 27 years with the organization, Mr. Hook has held a variety of roles including vice president manufacturing operations, chief supply chain officer – Canada and senior director of supply chain – Asia Pacific. Mr. Hook's breadth of experience gives him an end-to-end view of how our supply chain functions as one connected system across geographies and disciplines.

Education:

Mr. Hook holds a mechanical engineering degree from Queen's University, a brewing diploma from IBD and an MBA from the Schulich School of Business.
