

Molson Coors Beverage Company

Nutritional, Ingredient and Fermentation Source Data – Brands Sold in the U.S. Only

Values are average and approximate and are based on a standard regulatory serving size.

Our products contain no Fat, Cholesterol, or High Fructose Corn Syrup

Where corn syrup is used as an adjunct to aid fermentation, it is consumed by yeast during that process and is not present in the final product

Molson Coors Beverage Company

Lower Alcohol, Nutritional, Ingredient and Fermentation Source Data – Brands Sold in the U.S. Only

Values are average and approximate and are based on a standard serving size of 12 oz.

Our products contain no Fat, Cholesterol, or High Fructose Corn Syrup

Where corn syrup is used as an adjunct to aid fermentation, it is consumed by yeast during that process and is not present in the final product
