Formed in 2011, Six Pints is a collective of beer enthusiasts on a mission to promote the love of local craft beer across Canada. Created through the national partnership of Granville Island Brewing, Creemore Springs Brewery, Le Trou du Diable and Brasseur de Montreal, Six Pints champions the greater appreciation and availability of craft and local beer across the country. Through our dynamic portfolio of quality brands, Six Pints will continue to celebrate, share and declare their undying love of beer and our communities with all like-minded Canadians.
